1. PREFACE

Westfort college of Pharmacy (WCP) is the new feather in the cap of Westfort higher Education Trust, which has vast experience and tradition in the field of professional education. Westfort higher education trust is recognized as a synonym to high quality education and widely appreciated for their committed and dedicated efforts in moulding each individual to become proficient in the selected discipline.

Westfort College of Pharmacy is located at Pottore, a peripheral place of Thrissur City, just five kilometers away from the town. The Pharmacy College is blessed with a natural serene environment that gels in excellence with any intellectual and academic pursuits. The other multidisciplinary courses of trust are ideally located in the same campus. WCP is established with the vision to provide pharmaceutical education to create proficient pharmacists, who will add newer dimensions to the pharmaceutical revolution. The future of Pharmaceutical industry holds a wide range of career opportunities for young aspirants. They are in demand in the field of clinical research, drug testing and documentation, quality control, government health departments, etc.

Pharmacists practice in nearly all areas and specialties in healthcare – sometimes behind the scenes and not obvious to the public eye, but as a medication expert in the healthcare team, pharmacists are necessary in all facets of healthcare. A Pharmacist's responsibility includes wide range of patient care; from dispensing medications to monitoring patient health and progress, and to optimize their response to medication therapies. Pharmacists also educate patients on the use of prescriptions and over-the-counter medications, as well as provide population-based care in institutional settings. Pharmacists educate and advise physicians, nurses, and other health professionals on medication therapy decisions. Pharmacists also provide expertise information about the composition of drugs, including their chemical, biological, and physical properties and their manufacture and use. They ensure drug purity and strength and make sure that drugs do not interact in a harmful way. Pharmacists are medication experts ultimately concerned about their patients' health and wellness.

Westfort College of Pharmacy is well fortified with modern infrastructural facilities and a team of enthusiastic and highly qualified faculty to guide and develop the total personality of the student to make them employable as per industry requirements. We are committed to provide the students with excellent classrooms, well equipped laboratories, clinical experiences and our ultimate goal is to help our students shine in their chosen profession in the arena of health.

2. VISION

We strive to progress quality of life locally, nationally, and globally by evolving innovative teaching practices, advancing research and practice, and merging true entrepreneurial spirit with care and kindness

3. MISSION

13. SELECTION PROCEDURE

Preparation of common Merit list and Allotment of candidates:

Admissions will be done on the basis of marks obtained by the candidates in the qualifying examination as mentioned below.

The marks obtained by the candidates in the relevant subjects in the qualifying examination conducted by various Boards or authority of other states shall be equated with the marks obtained by the candidates in the same subjects in the qualifying examination conducted by the Director of HSE, Kerala. Marks obtained by the candidates under various streams of examinations such as HSE in Kerala/CBSE/ICSE etc. will be subject to the process of normalization.

Explanation: Under the method of normalization, the highest mark obtained by students of various Boards in each subject shall be equated to the highest mark obtained by the students of the Kerala Higher Secondary examination in that subject and the relative marks obtained by other students in that subject shall be determined accordingly.

Illustration: If the highest marks secured by the student of the Kerala state HSE, in Physics is 100 and the highest mark secured by a student on any other board in the same subject is 90, both the highest marks will be considered to be equal to 100, if a student of the other board secures 60 marks in Physics when the highest mark in Physics in the same board is 90, the 60 marks will be considered to be equal to 66.66 marks as arrived at below:

$$100 \times 60 / 90 = 66.66\%$$

Those candidates, who have passed the qualifying examination of any state other than Kerala, will be treated at par with those students who have passed the Higher Secondary Exam of this state.

Since the normalized marks depend on the applications of a college, the index marks of an applicant may vary from college to college.

14. ADMISSION PROCEDURE

Originals of all certificates/documents enclosed with the application should be submitted at the time of admission to the College. The Principal/Head of the Institution shall be responsible for verification of original documents / or certificates produced by the candidate at the time of interview in the college/institution.

The responsibility of the College is limited to the issuing of notifications and publishing prospectus. The eligible candidates will be intimated for a selection interview by our institution. Selected candidates after the selection interview have to join the program immediately after the selection with prescribed fee for the program. The admission of those candidates who do not take admission on the prescribed date will deem to be cancelled.

Physical fitness certificate, conduct certificate and transfer certificate originals should be submitted at the time of admission to the College.

For those who are selected after selection interview and not paid the college fee within the prescribed date, admission will be summarily cancelled and seat will be allotted to the next eligible candidate. No further claim for admission will be entertained.

15. PUBLICATION OF RANK LIST

The rank list will be prepared and published on the notice board of college.

I. In the case of a tie in the total marks, the marks In Chemistry in the qualifying examination will be counted.

If there is still a tie, the marks in physics will be counted. If a tie still exists, the age of the candidate will be taken into account, the elder preferred to the younger. If a tie again exists, the alphabetical ascending order of the name of the candidates in English will be taken into account

II. Furnishing false information /particulars would result in the forfeiture of the candidature as well as cancellation of admission to the course, and in addition, will attract the relevant provisions of criminal law of the land.

III. Seats lying vacant after the date fixed for the completion of admission will be treated as lapsed seats and can be filled up by the College from among the application received from the eligible candidates.

16. REFUND/ADJUSTMENT OF FEES

Refund of the fee will not made to candidates who apply for Transfer Certificate/Cancellation of admission under any circumstances, after the last date for taking admission by candidates' consequent to the last spot Allotment. They will have to pay Liquidated damages as stipulated in clause 8.

In the case of SC/ST candidates, they should remit their fee to the College at the time of admission. The same will be refunded in case the Govt. pay the fees to the college or assure the payment of the same.

17. OTHER IMPORTANT INFORMATION / POINTS

No request for change of selection processes will be entertained, nor will the college entertain enquiries with regards to date of publication of the results.

If any candidate discontinues the course after closing of admissions as notified by the College, the candidate has to pay liquidated damages to the tune of full fee of the course.

18. PROHIBITION OF RAGGING

Ragging in any form which includes harassment by word, action, gesture, intimidation, coercion, physical or mental insult / assault, teasing etc. which are capable of causing mental / physical stress or moral torture or agony to other students or staff inside / outside the premises of the College or hostel etc. is strictly coming under the word Ragging and is prohibited in college. Hence, any student who indulges in any form of Ragging will be subject to penal action as per provisions of law. Students and parents shall at the time of admission furnish an Affidavit to the effect that the student shall not indulge in any form of Ragging.
